FAMED TROOP TO PARADE HERE

MRS. EVA GAYLORD was guest of honor at a tea last Thursday at the high school on the occasion of her retirement after 20 years in the school's cafeteria. The tea was given jointly by the PTA and the board of education. Bill Brook, an old friend, represented the board.

ATH School Bands To Close Season In Concert May 20

The Antioch High School concert band and dance band will end an active season of music with their annual spring concert-dance, at 8 p.m., Saturday in the high school auditorium.

A number of featured works will highlight the evening's program designed to make it one of the most interesting and varied programs of the year, according to Director Joseph Rush.

The first of the special numbers will be a work by David Schanke, "Five Mellow Winds," which will feature a solo quintet along with the concert band. In the quintet will be H. Young, alto sax; B. Olschlag, alto sax; D. Stillson, tenor sax; B. Van Patten, tenor sax; and J. Anderson, clarinet. The work is to the memory of Glenn Miller, famous band leader, who was listed as missing in World War II.

The next feature will be a trumpet solo by Thomas A. Knoflick, director of bands at Beach Park School.

The guest conductor will be the last featured event of the concert, during which Richard Brittain, Vandercook College of Music, will conduct two numbers by the concert band.

The first will be "The Minstrel

Boy" by Leroy Anderson; the second, the "Coronation Scene" by Modest Moussorgsky, from his opera "Boris Godunov." For this last number Mr. Brittain will bring with him his eight brass players from Vandercook to act as an Antiphonal brass choir, which will join the Antioch band for this work.

Following the concert the Antioch High School dance band will end its season by giving a dance. Tickets are available from concert band members or at the door.

Survey District for New Kindergarteners

LAKE VILLA—The grade school district is conducting a survey to determine the number of kindergarten pupils who will enroll next fall.

The survey, which will extend until the close of school, June 6, includes a search for new children in the district.

Registration is held daily at the school during school hours. Children must be 5 years old on or before Dec. 1, 1961, with proof of age required. Health and dental exams are required.

Suspect Arson As Flames Sweep Home Third Time

Fire of undetermined origin again swept the shell of the Robert Thiele home on Prospect Ave. in Channel Lake Bluffs subd. This is the third time the one-story frame house has been ravaged by fire in the past week, leading authorities to believe the fires were started by arsonists.

The house is unoccupied. The first fire was reported at 11:10 p.m. May 9 and was brought under control several hours later, after an estimated 50-75 percent damage was done to the structure. Antioch firemen returned early May 10 to quell a second flare-up.

According to reports, the owners, of Prospect Heights, could not be contacted following last week's fire and were first aware of the damage when they visited the property late last week.

Boy Hurt in Car Mishap

Stephen Owens, 9, son of Mr. and Mrs. William H. Owens, 278 North Ave., received head injuries when struck by a car at 4:30 p.m. Tuesday at Main and Lake Streets in Antioch.

According to reports, the youth was crossing from the east side of Main to the First National Bank building when struck by a car going south on Main driven by Alice V. Alto, 1702 Victoria Street, North Chicago.

The youth was rushed to the Medical Clinic for emergency treatment and then taken by the Rescue Squad to Victory Memorial Hospital in Waukegan. X-rays were to be taken Wednesday.

The driver of the car stated that she was proceeding south on Main at reduced speed when the lad darted into the path of the car. She reported the car was stopped at the moment of impact and that the youth struck the left front of the vehicle and was thrown to the pavement.

In the car with her were Marcia Wise, also of 1702 Victoria St., and Martha Zdanowicz, 1403 Lincoln St., all of North Chicago.

Stephen was accompanied by three playmates, two of whom were on bikes and were waiting to cross Main further north. Stephen's brother, Billy, was proceeding south to cross Main where the accident occurred. Stephen is a fourth grade pupil at Oakland Grade School.

Proclaim Buddy Poppy Day

Village President Murrill Cunningham today proclaimed Saturday, May 20, as Buddy Poppy Day in Antioch.

On that day, representatives of the Veterans of Foreign Wars and the VFW Auxiliary will be posted on corners to sell the familiar poppies for the benefit of disabled and needy veterans, and widows and orphans of deceased veterans.

(Buddy Poppy Day precedes by one week the American Legion Poppy Day, which will be held May 27 here.)

Following is President Cunningham's proclamation:

WHEREAS: The annual sale of Buddy Poppies by the Veterans of Foreign Wars of the United States, an organization chartered by the Congress, has been officially recognized and endorsed by the President of the United States and the Veterans Administration; and

WHEREAS: The proceeds of this worthy fund-raising campaign are used exclusively for the benefit of disabled and needy veterans, and

the widows and orphans of deceased veterans; and

WHEREAS: The basic purpose of the annual sale of Buddy Poppies by the Veterans of Foreign Wars is eloquently reflected in the desire to "Honor the Dead by Helping the Living," therefore,

I, Murrill Cunningham, President of the Village of Antioch, do hereby recognize the patriotic merits of this cause by urging the citizens of this community to contribute generously to its support through the purchase of Buddy Poppies, on the day set aside for the distribution of these symbols of loyalty in this village.

I urge all patriotic citizens to wear a Buddy Poppy as mute evidence of our gratitude to the men of this country who have risked their lives in defense of the freedoms which we continue to enjoy as American citizens.

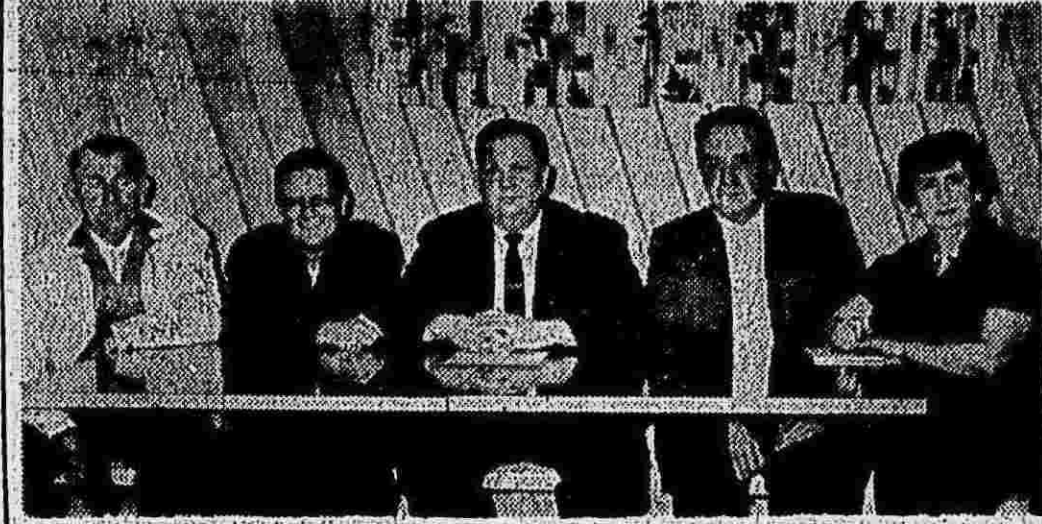

May 20, 1961.

Signed: Murrill Cunningham

NEWLY ELECTED OFFICERS of the Republican Committee of the Club of Judicial District No. 1 are (left to right) Louis Schwicht, Lake Villa, sergeant-at-arms; Charles Billings, Avon, treasurer; Raymond Dreyer, Grant, president; William Wood, Avon, vice president; and Helen Burke, Antioch, secretary.

Grant Auditor New Head of District GOP

Renewed activity by Republicans in neighboring judicial districts has been made the prime target of GOP leaders of Judicial District No. 1, it was disclosed Tuesday.

Meeting in Grayslake, GOP committeemen of the five local townships, promised to assist neighboring districts in organizing.

In charge of these missionary efforts will be William Wood, Elmer Wood and Hans Hansen. Elected as president of the Republican Committeemen's Club of Judicial District No. 1 was Raymond Dreyer, auditor of Grant Township.

Named to serve with him were William Woods, Avon, vice president; Helen Burke, Antioch, secretary; Charles Billings, Avon, treasurer; and Louis Schwicht, Lake Villa, sergeant-at-arms.

The group voted to meet the first Wednesday of each month. The

June meeting will be held in Grant Township.

Among those attending the meeting Tuesday were: Leo DeMeyer, mayor of Grayslake; Ken Herring, trustee of Grayslake; Leo Steffen, auditor of Grant; Carl Schmidt, Round Lake chief of police and constable; John Stanton, justice of the peace; and Charles Larson, deputy, Antioch.

Legion Auxiliary To Sell Poppies

By Mrs. Fred Bartlett

LAKE VILLA — Poppy Day will be observed here May 27 when 15 volunteer workers man street corners to sell the red flowers for the benefit of disabled war veterans.

On the heels of the proclamation by retiring Mayor Ervin Barnstable declaring that day officially "Poppy Day" in Lake Villa, Mrs. Martin Baba, president of the American Legion Auxiliary, disclosed that more than 2,000,000 poppies have been assembled by disabled veterans throughout the state.

Volunteer ladies will be stationed at key corners throughout the village to sell the poppies.

Black Horse Unit Set for Memorial Day

Medinah's famed Black Horse troop will lead Antioch's Memorial Day Parade May 30, it was announced today.

The 35-horse troop is internationally known and has performed in special events, parades and military assemblies throughout the middle west.

Arrangements for appearance of the Black Horse Troop during ceremonies honoring the nation's war dead were concluded Monday when Richard Rhodes, member of Medinah, met here with officials and leaders of local veterans' organizations.

As reported by John Horan, executive secretary of the Chamber of Commerce and in charge of events, the parade and services will open at 1:30 p.m. Tuesday, May 30 and will proceed north on Main Street to the Little League ball park for flag raising ceremonies and observances in keeping with the day.

Marching with the Medinah Troop will be units from Veterans of Foreign Wars, American Legion, their Auxiliaries, and the Fire Department.

Participating in early planning are Oliver Hunt, commander of the VFW post, David Kuiken, commander of the American Legion Post, and Assistant Fire Marshal Charles Mapletorpe.

Horan announced that a complete schedule of events for Memorial Day afternoon will be announced next week.

Six Win Honors In Science Fair

Patti Plautz, Antioch High School student, was elected student secretary of the Illinois Academy of Science last weekend at Champaign in sessions in conjunction with the state-wide Science Fair. Miss Plautz, 1961 president of the North Suburban District Science Fair, was also awarded the triple AS, an honor award of the American Association for Advancement of Science.

In other science fair activity, AHS students won two firsts and a second at the Illinois competition. First was won by Wilnette Monnier and Pat Gutowski, collaborating on an exhibit on embalming, "Preparation for Burial," and James Fournier for his entry on meteorology.

Jerry Berke and Ernie Westlund won a second for their exhibit on entomology, "Collection of Insects."

Lions Set for Annual Spring Outing May 24

Members of the Lions Club will tee-off at 12 noon May 24 in the Club's annual spring golf outing at Spring Valley Golf Course, Salem, Wis.

A full schedule of activities has been planned for Lions during the afternoon, with golfing the feature. Included will be a driving contest.

Prizes will be awarded. Climaxing the day will be a buffet at 7:30 p.m., with chicken, ham and beef as the main course.

Fire Does \$15,000 Damages to Farm

Fire departments of Wilmet, Twin Lakes and Silver Lake battled a blaze which did an estimated \$15,000 damages Friday night to a barn and garage on the Charles Russell farm, RFD 3, Silver Lake.

Threatened was the Russell residence, which became so warm from the nearby blaze that Mrs. Russell took her 2-month-old baby and other children to safety.

Russell said the barn was leased to Russell Olson of Bassett, from whom he purchased the 242-acre farm last fall.

The loss included straw and hay, some chickens and stored furniture.

Local Student Assists

Richard Prange, son of Mr. and Mrs. Herbert Prange of Loon Lake Rd., took time out from his studies last week at Southern Illinois University, Carbondale, to assist in rescue work in flooded regions in and around Marion, Ill.

Centennial Planning Firm as Festival Nears

Antioch Civil War Centennial planners are going down to the final wire in programming an outstanding card of activities during the three-day festival, June 23-24-25.

Latest events to be scheduled include appearance of a crack drill squad of the United States Marine Corps, the Bristol Band, the award-winning Antioch Grade School Band, diving exhibitions, and top dance groups.

Square dance buffs will witness

the performances of such groups as the Woodshed Whirlers, Allemande Club and the Bristol Falcons, 4-11 group which won the Kenosha County championship and came in second in district judging.

Meanwhile, beards began to sprout within Village environs as the masculine-element started taking the beardgrowing contest seriously. Latest candidate for "Brothers of the Brush" honors is John W. Doyle, Rte. 2, Antioch, whose vin-

tage foliage is shown below. The contest will be judged Sunday, June 25, and one of the projects of the Moose. The contest is open to all males.

A chicken barbecue to be served from 11:30 a.m. to 5 p.m. Sunday is designed to appeal to local gourmets. The barbecue will be a homespun, western style affair with plenty for all. However, for those who choose to partake in private, home delivery is guaranteed between 12

noon and 3 p.m.

Lions members came up with a semi-permanent promotion of the festival last week by painting the Centennial emblem on the bottom of the Village swimming pool, which is slated to open Memorial Day.

The emblem, crossed flags of the USA and the Confederacy superimposed over figures of Union and Confederate soldiers, was painted by Dr. J. W. Kopriva, local artist and chairman of Centennial planning. He was assisted in pool re-

habilitation by Jack Fields and fellow Lions.

The three-day celebration will open Friday evening with a parade and pageant. Activities will continue Saturday with judging of the Civil War essay contest, art and flower exhibits, various entertainment features for children, climaxed by a street dance during the evening.

An afternoon of barbecuing, swimming and other exhibits will wind up events on Sunday.

JOHN W. DOYLE, latest candidate for "Brothers of the Brush."

LIONS CLUB MEMBERS were busy this week in anticipation of opening date of the Village swimming pool, May 30. In honor of the forthcoming Civil War Centennial. At left, Jack Fields applies broom and elbow grease in removing accumu-

lated debris. In honor of the forthcoming Civil War Centennial Festival, June 23-25, the official symbol was painted on the bottom of the pool by Dr. J. W. Kopriva, where it will remain until the season's end.

A Flood Expedient?

Chicago's Mayor Daley has made his sales tax pitch to the mayors of suburbia and the Daley-Gov. Kerner duet grows louder each day for approval of raises which, if approved, would boost the rate to 4 1/2 percent, highest in the nation along with that of California.

Considering the fact that the state is spending more than it is taking in, an increase in revenue (via sales taxes, in this case) would seem to be a logical step.

But there is more to it than that, as underscored by Paul Simon, Democrat of Troy, last week in his column on these pages.

Rep. Simon made a telling point when he reminded readers that a sales tax increase means a tax on essentials. It is a tax on a loaf of bread, a pound of hamburger, and all the other purchases of day-to-day living. And as such, it is a tax which is felt the most by the lower income brackets, because the low bracket family spends more of its income for necessities than do the upper bracket families. Hence, they bear the heaviest tax burden.

The proposals of Mayor Daley for a half-cent boost in city sales tax and Gov. Kerner for a like amount in state sales taxes are strictly field expedients in what appears to be a hodge-podge of fiscal action to temporarily ease the state's financial burden.

Gov. Kerner has himself deplored the "out dated archaic Revenue Article" (of the state's constitution), and by his own admission to the General Assembly is advocating the boost in taxes as "tested sources of revenue."

This may solve the problem and serve as one way to dodge the fringe of bankruptcy. But it is purely a temporary expedient.

Why not attack the basic problem, an outdated Revenue article in an effort to come up with a long-range solution.

From the standpoint of the politician, it may be simpler to tackle, and push through one problem at a time, (such as a boost in sales tax) rather than to wage an all-out study which could result in revision of the "outdated" article and uncover new revenue producing sources.

From the standpoint of the taxpayer, the latter would seem to be the more logical.

Jack Likes His Golf

Although belly laughs may be few and far between for Republicans on the national scene, they most certainly should be able to muster a few chuckles over the mild dilemma facing the Democrats.

After enduring eight years of wayward remarks anent the golfing habits of former President Eisenhower, they can be forgiven if they make a few off-cuff remarks concerning President Kennedy's affection for slapping the white ball around.

For it becomes more apparent daily that Jack likes his golf and he's been tearing up the turf of late with wild abandon.

He's one-up on Mr. Eisenhower, however. Ike didn't mind a few good natured gassers on his links prowess short of disclosing his exact score, but it's apparent that Jack isn't of a like mind in this respect.

When he takes off for the fairways there are no pictures, no interviews, no press conferences, no announcements.

It isn't likely that his score is that bad. It must be that he feels everyone is entitled to a few moments of leisure and privacy.

Ike felt the same way, but it got so bad when he knocked off for a long weekend of golf that everyone from Sam Rayburn on down to Nikita got into the act with a few well chosen comments.

We wonder how long Republicans will lay off.

Open House At Great Lakes To Mark Armed Forces Day

Officials at the U. S. Naval Training Center, Great Lakes, Illinois, are completing plans for the annual Armed Forces Day celebration Saturday and Sunday.

There will be an open house for the two day period at the largest naval training center in the nation. This year's theme will be "Power for Peace."

The theme will be reflected in various exhibits open to the public. A model of the nuclear powered polaris submarine, "George Washington" will be one of the main exhibits.

Also, the famed Great Lakes Naval Training Center Band, will give concerts at intervals throughout the weekend.

Highlighting Saturday's festivities will be the colorful Recruit Graduation Review on Ross Field.

Open to the public will be a large exhibit hall with many and varied displays. In addition, there will be fire-fighting demonstrations with live fires, small arms demonstrations by Marines, boat rides for visitors, shipboard visits, Navy divers in action, missile launchers, and various technical schools in the Service School Command open for visitors.

Many visitors are expected to bring picnic lunches and utilize the lake front picnic area. For those who do not bring their lunches, several cafeterias will be open. Ample parking will be available for private automobiles.

Junior graduate regent Jean Verkest was chosen queen for the year and ritual director Mrs. Evelyn Erickson was named princess at the Moose honorary dinner May 11.

The ladies were on the receiving end as men, under chairmanship of Governor Carl Schieser, served a chicken dinner to Women of the Moose, Antioch Chapter 735.

During the affair, the College of regents, elected and appointed officers presented a style show of night wear, featuring lounging apparel, baby doll p. j.'s and similar.

Senior regent Gert Good was presented a hand bag and gloves by the chairman.

New horizon certificates will be presented by chairmen to co-workers tonight at the Moose Home. The certificates are awarded for attendance at four or more committee meetings over the year. The meeting will also be for business purposes.

The Academy of Friendship will sponsor a card party at 7:30 p.m., May 25, at the Moose home.

Your State Senator Reports

By State Senator Robert McClory
It's about time for the Republican loyal opposition in Springfield to decide what it stands for. It is well and good for Republicans in the House and Senate to criticize the big spending and high taxing plan of the Democrats. But, soon the public will be asking "Where is the Republican program?"

Top Republican leadership in the Illinois General Assembly is divided between President Pro Tem Arthur J. Bidwell, veteran Senator from River Forest (who is also chairman of the Cook County Suburban Republican organization), and Representative William Pollack of Chicago, minority leader of the Illinois House.

Under former Republican Governor Stratton, Senator Bidwell and Representative Pollack steered the Republican Administration programs with reasonable success.

But, today, there is no executive leadership comparable to Governor Stratton to formulate and direct a Republican program.

Secretary of State Charles F. Carpenter, the top Republican officeholder in the State is tending to the business of his own office and so far has avoided the broader field of legislation affecting schools, wel-

fare, highways, etc.

And former Governor Stratton has been in virtual seclusion at his Sangamon County farm. Indeed, he is in even deeper seclusion for the month of May on a cruise down the Mississippi where, presumably, he will be incommunicado.

So, where do the Republicans in the Illinois Legislature go from here? The public will soon weary of Republican sniping and criticizing. The moment has arrived for a constructive program of economy and fair taxation. Those parts of Governor Kerner's recommendations, which are sound, should be supported by the Republican members of the House and Senate. Those parts of the Democratic program which are vulnerable should be opposed—and defeated. And where a substitute program is required, it should be advanced—and passed.

A comprehensive statement of policy should be announced within the next two weeks by the Republican leaders of the Senate and House. It should be joined in by Secretary of State Carpenter and endorsed by caucuses of the Republican members of the House and Senate.

That is what Republicans throughout Illinois want. That is what the people need—and deserve.

Courthouse Notebook—

BY LOU DUKKIN

Lake County, after nearly a year of conversation, has finally engaged a financial director to control the various funds in the county treasurer's office before they are disbursed by the various county offices.

Supporters of the fiscal director plan feel that full-time study of the county's financial picture will result in sufficient savings and earnings to justify the \$9,000 a year salary established for the post.

Many of the supervisors who opposed the new office felt that it was another abrogation of county board responsibility and decried the shifting of board power to an appointed officer.

There has been a growing tendency to give responsibility that rightly belongs to the elected officials to so-called professionals, a tendency that weakens the structure of government.

Rather than reduce the authority and responsibility of our elected officials an attempt should be made to improve the quality of the elected officials and insist on training and background which would enable them to do the job for which they are elected.

Membership on the county board should be a full-time job with a full-time salary so the supervisors could devote the necessary time to the job of running the county.

State Representative Robert E. Coulson displayed refreshing candor in labelling proposed legislation to lighten the personal property tax burden a "gimmick."

Under the legislation proposed by Reps. Coulson, Murphy, and Baisrow, of Lake County, and State Senator Robert McClory, a token exemption would be allowed on certain items of personal property up to about \$100 of valuation which would result in a tax savings of approximately \$3.50 per person.

Hardly an earthshaking development when measured alongside the endless stream of proposals for increasing taxes.

Most of the cities are apparently lining up behind Chicago's Mayor Daley in a bid for higher city sales tax which means a boom in municipal building and embellishment of those services at the municipal level which are most obvious to the people and best-remembered when election time rolls around.

This sales tax increase would be more palatable if the property owners were assured that at least part of the money would be used to lower taxes on real estate and personal property, but somehow this extra revenue is always earmarked for "capital-improvements."

A special citizens commission appointed by County Board Chairman Karl Berning has recommended that a county public works department be established to plan and develop area-wide flood control and sanitation facilities with power to levy a tax and issue special assessment bonds.

The commission's report has been turned over to a county board committee for study which would almost seem superfluous in view of the long study made by the special study group, but that is the way legislative bodies function.

Let's hope that the new department is organized and working before pollution completes its work on the streams and lakes in the county and floods add new burdens to the cost of home ownership.

DEAR SIR:

The American Cancer Society, Lake County Chapter, wishes to express to you and the members of your staff our appreciation for your help in our recent Crusade. We are ever so grateful.

We expect an all time high this year. Without all the wonderful publicity you have given us this would not be possible. Thank you for all the articles and pictures. At this time we have \$55,000 or 128 percent of our quota in the County. We are so pleased and know you will be too.

This will indeed hasten the day that we reach our ultimate goal—complete control of Cancer. You will be a part of this victory with your interest and support of this fight.

Sincerely yours,

OPEN LETTER TO THE PUBLIC
At the February meeting of the Chain-O-Lakes Water Patrol, the members voted to discontinue pa-

trolling the waters of the Chain-O-Lakes area starting with the 1961 boating season. The well known and welcomed boats will be off the waters.

There are a number of reasons why this was done. First, the State of Illinois has licensed boats as of 1960 and we feel the state should bear the responsibility and costs of policing the waters through its various law enforcing agents, conservation officers, county sheriff's department, etc.

The Chain-O-Lakes Water Patrol started as a volunteer patrol in 1955. The patrol was endorsed by the Lake County sheriff who helped this organization all he could. The boating accidents and drownings were reduced each year from 1955 to 1960.

There is still a great need for patrolling the waters but the cost is too great for volunteers. Last year it cost the patrol in excess of \$2,500 to operate and no member received pay.

We wish to thank all who helped with donations, individuals and organizations, too many to list.

By Rep. Paul Simon
What laws should Illinois have on drinking? What laws should Illinois have on obscene literature? What laws should Illinois have on gambling? What laws should Illinois have on divorce?

All of these questions involve something fundamental that many citizens misunderstand: the relationship between laws and morality. There is a relationship between what the law tells us we can or cannot do, and what our conscience tells us we should or should not do.

But citizens cannot and must not expect the law, by itself, to elevate public conduct. The law, with strong public opinion behind it, can help—but even here it is only limited. The law, without at least a portion of public opinion supporting it, is powerless.

Moses faced this same problem centuries ago on the matter of divorce. He personally opposed divorce, but recognized that public opinion did not maintain the same standards which he maintained in his personal life. So Moses granted divorce.

In the matter of obscene literature, Illinois has strong laws against it. But in any city or community where there is not strong sentiment against obscene literature, the law is unused. After having studied the laws of the state, I doubt that there is much the legislature can do to eliminate this blot from our public scene. The laws are strong enough, if the public wants to use them.

What a person believes is right or wrong should not necessarily become part of the law. If this belief runs counter to public opinion generally, it probably will do no good to pass a law.

A good sample is the bingo question, now before the legislature.

My personal opinion is that it would be a mistake to legalize it.

New York's recent experience, where they legalized it and the hoodlums moved in to run it, might be the same experience Illinois would have. In addition, studies show conclusively that the bingo player is generally the person who can least afford to be throwing money away.

In some counties in the state, public opinion strongly favors having bingo games, and in those counties the fact that it is outlawed does not seem to make much difference. The games are played there anyway.

If state-wide sentiment were strongly in favor of legalized bingo, I might feel that the best way to control it would be some form of legalization. Fortunately, I don't think we've come to that point yet.

All of this means that in voting on measures involving moral conduct, the legislator must weigh not only his own personal convictions of right and wrong, but must also sense the public mood.

Highway engineers have this same problem. They may know that 35 miles per hour is the safest speed in a certain traffic area. But the public pays little attention to that limit, even though tickets are handed out occasionally. Tests are made to determine exactly how fast people do drive in that area, and a new, enforced 45 miles per hour speed limit may be posted—not as something ideal, but as the nearest thing to the ideal that the public will accept.

Whether you have ever considered yourself a lawmaker or not, you help write the law by your daily conduct.

Laws may improve your conduct a little, but not much. What your religious belief or your conscience tells you is right or wrong generally will be on a higher level than the law.

Summer Benefits Set by Lindenhurst Groups; Holy Name Elects Officers

By Mrs. Bernice Bernau
Elliott 6-5440

LINDENHURST—Joe Hellstern was elected president of the Holy Name Society of Prince of Peace Church in Lake Villa at the meeting Sunday morning. James Kates was named vice-president, Owen Duffy, treasurer, and Jack Halvey, secretary.

Plans for the festival in August were discussed, as was a trip to

Milwaukee to see the Braves play baseball some evening in June or July.

Installation of officers will take place at the June meeting.

The Loyal Order of the Cocking Hens met at Mrs. John Warchal's home, 512 Deerpath Dr., Friday evening. Twelve attended.

The Lindenhurst Woman's Club will hold a rummage sale Sept. 16. Residents are asked to save their rummage for this sale, as proceeds will go toward the new Civic Center. Mrs. Edward Bernau is chairman.

The Club will have a popcorn and pink lemonade booth at the street dance to be held in June in the Plaza.

The regular monthly meeting of the Prince of Peace unit of the Confraternity of Christian Doctrine has been postponed until 7:30 p.m. Monday. At this time there will be an election of officers for the coming year. The husband or wife of each member is invited to attend the social affair to follow the meeting.

Mr. and Mrs. Donald (Jeanette) Pfeifer, 2408 East Thornwood Drive, are new residents. They are from Chicago. They have been married 12 years and have two children, Larry 4½, and John 2.

Don is a route foreman for Gould Milk distributors in Chicago. He bowls and hunts in his spare time. Jeanette is a member of the Lindenhurst Woman's Club and the "Woodchicks."

Another young couple new here are Mr. and Mrs. Dale (Anne Marie) Juhlin, 1918 Hazelwood Drive. They have been married 1½ years and expect their first child in November. They are from Chicago.

Dale is a producer and director for WGN TV.

David Mindak, 5, of 105 North Hawthorne Drive, was hit in the corner of the eye by a bow (not an arrow) thrown by a playmate last Saturday morning. Three eye specialists in Waukegan were called in for consultation. He is the son of Mr. and Mrs. Frank (Helen) Mindak.

Congratulations to Mr. and Mrs. Robert E. Muhlke, 1829 Maplewood Drive. They were married April 24. Mrs. Muhlke is the former Mrs. Doris E. Willett. She has three daughters by her previous marriage, Frances, Susan and Patricia.

Sunday is National Youth Day, the closing day of the C.Y.O. Holy Communion Crusade which started last October, and the climax of a membership campaign for the youth of the parish group, which begins May 15.

All high school boys and girls, and young adults between the ages of 18 and 24 are invited to join.

Next Sunday, all of the young

people of the parish will receive Holy Communion together at the 9 o'clock mass. In the afternoon they will take part in the May Crowning of the Blessed Virgin Mary.

Twelve couples belonging to the Masters and Matrons of the Community Methodist Church in Lake Villa held a Scavenger Hunt Saturday evening. Mr. and Mrs. Kenneth Rollin and Mr. and Mrs. John Chmielewski were the hosts. Among the items they had to bring back were: a hoop skirt, yellow balloon, men's long underwear, man's walking cane, old fashioned gun, bonnet, hip boots, tricycle, sand-pail, derby, sprinkling can, red Christmas tree ornament and a sailor hat. All modeled the items they brought back. Mr. and Mrs. Ed Thammerus and Mr. and Mrs. Joe Botts were the winners.

A picnic at Mr. and Mrs. Warren Brown's home is planned for the June meeting.

Fred LaChance, Earl Sorensen and Clarence Kleffner attended the modified stock car races Sunday at Waukegan Speedway to watch their neighbor, Bob Karry, 2800 E. Bonner Lane, compete. Bob didn't win, but he will race at Wilmet on Saturday.

Approximately 65 people attended the victory social party given by the Lindenhurst Citizen's Party Friday evening. Dancing to records, playing cards, just "visiting," eating, drinking and winning prizes made up the evening. Ted Flanagan is the newly elected village president.

ALL ABOUT BABIES

A Public Service of the
National Baby Care Council

By Dr. Ernest Dichter, President,
Institute for Motivational Research
Croton-on-Hudson, New York

From time to time, I believe this column should consider mother. For there can be no argument that whatever affects mother, also affects baby.

There is one thing the modern mother does not seem to have too much of, even with household automation. And that is time—time not only for herself, but also for her baby.

In a recent motivational research study we did for the nation's diaper service industry, interviews with young mothers indicated they place as much value on their time as they do on their labor.

The survey showed that young mothers today are more realistic about the use of household equipment and more sound in their application of household economics and time-management.

They realize that while much of the drudgery and toil has been eliminated by labor-saving machinery, no one has eliminated the need for someone to fill, operate, watch, empty, clean and repair the machines. Clothes and dishes still must be prepared by hand. The bigger the wash, the bigger the ironing, handling and folding. The more buttons, levers and controls, the more things to remember, operate and maintain.

As a result, more young mothers today are using the latest advancements in complete outside services in conjunction with the sensible use of home equipment. This, they have found, provides them with more time to spend with baby and other members of the family.

Our motivational research study showed that of the American families using professional diaper service, two-thirds also own automatic home laundry equipment. The interviews revealed that these families realize that for about 38 cents more each week, baby's diapers can be processed professionally and scientifically by a diaper service and 547 hours or about 23 days a year can be saved.

The time saved includes the time the mother would have to spend with three pre-rinses, four separate sudings, six post-wash rinses to remove all soap residue, loading the washer, adding soap, bleach, softener and antiseptics as various steps in the process, boiling after washing to sterilize the diapers, drying and finally gathering the diapers and folding them for storage.

A young Pittsburgh mother of three put it all this way: "You can become a slave to the mechanics of having a baby rather than to the charms of the baby. I feel that even if you have every convenience for washing diapers at home, it's still a wasted effort because it takes time away from the children."

Cold Storage of stocks of butter in the nation were 38 per cent above average for the date, but stocks of all cheese were 7 per cent below average.

Grant Student Enters National Typing Finals

Bruce Matas, Grant High School senior, has qualified for the Facit Accuracy Contest in Typing Finals, to be held in New York City, May 27.

He is one of the 10 contestants to compete in the finals. All won out over 220,000 students representing every state in the union, who competed.

Following the contest on Saturday morning, there will be a celebration luncheon at which time the winner of the grand prize trip to Sweden will be announced.

Plan Expanded Facilities To Train The Handicapped

The Special Education District of Lake County is considering an expanded program to serve exceptional children of the area, it was learned today. Under study is the addition of an educable mentally handicapped room in Antioch and expanded activities in the field of speech correction, according to reports.

The proposed expansion is an endorsement of the district, one of the few in the country under which participating school districts have cooperated in financing and sharing classroom facilities for the training of (1) retarded children, both trainable and educable; (2) physically handicapped, deaf or hard of hearing, blind or partially seeing; (3) multiply handicapped; (4) speech correction; and (5) homebound instruction.

Under Director L. D. Vuilleumot, the program was inaugurated last September and now serves more than 1,050 children in special classrooms throughout northeast Lake County.

Heart of the operation is the Highland School in Libertyville, where Director Vuilleumot and his staff guide the operation.

The special program services 31 grade and five high school districts and includes special transportation for exceptional children, social workers, psychological evaluation and the necessary staff and instructors.

In earlier articles, The Antioch News traced the organization, financing, and work of the district and training of mentally retarded children, deaf and hard of hearing, and the multiply handicapped.

Here in the first of two concluding articles, The News outlines work being done in the fields of partially seeing and speech correction.

Although the number may vary from month to month, 24 children ranging from 6 to 14 years of age are currently enrolled under the district's special instruction to partially seeing students.

Assisted by special equipment and a special instructor, partially seeing children are able to attend classes along with normal students and maintain established standards of scholastic accomplishment. This would be impossible without assistance rendered by the special education district.

The program is open for all children whose visual acuity in the better eye after refraction ranges from 20/70 to 20/200.

Expectation under the program is to teach the child to live with his handicap, practice methods of sight conservation, train him to utilize affected vision to best advantage with least possible strain, training in touch typing and maintenance of acceptable scholastic achievement.

These goals are being achieved under direction of Miss Arlene Morin, veteran special education instructor who has taught in Michigan, Wisconsin and California and Hawaii.

Miss Morin is hired by the Waukegan system. Her work load also includes the special district and is financed by each district having students in the program.

Basic work tools of the partially seeing student are oversized books with enlarged type and illustrations, "giant" pads and lesson plans,

and various magnifying devices.

From her headquarters in Waukegan, Miss Morin travels by car to each school in the district where there is a partially seeing student. She sees each student at least once a week, counseling student and teacher and leaving special material to assist in instruction.

Because of a dearth of large texts and other materials, some of which are three and four times normal size, Miss Morin spends many hours on her own copying by special typewriter various lesson plans, examination forms and similar material.

Miss Morin attended Western Michigan University, the University of Michigan, and has 31 hours of graduate training beyond her master's degree in special education. She began her teaching career as a kindergarten and primary teacher and entered special education three years later.

By far the greatest student load under the special education program is in the field of speech correction with more than 1,000 students in this area now receiving training. This phase of special instruction is handled by five speech correctionists with plans to enlarge the staff to eight by next semester. Projections set future needs at 12 or more.

As is the case in other phases of special education, a shortage of qualified speech correction instructors exists.

Children enrolled in the speech correction program are those with difficulties in articulation, stuttering and other voice problems which

may be the result of cleft palate, cerebral palsy, limited hearing, brain damage and mental retardation.

If a youngster cannot communicate, he is virtually isolated from all others. A severe speech problem will affect a youngster's reading achievement which in turn harms the entire learning process. Emotional disturbances are another possible offshoot of speech handicap.

It is to widen and improve the child's ability to communicate which motivates the district's efforts in speech correction.

Prior to joining the special education district last year, Antioch schools had their own speech correctionist and an established program headed by John Jessup. The program now is part of the special district and enjoys the support, coordination and facilities available through the new affiliation.

The program here remains under the direction of Jessup who divides his time between both Antioch grade schools, spending an average of two days weekly at Oakland and three at Antioch.

Jessup has spent his entire teaching career in the field of special education. He is a graduate of Northern Illinois, DeKalb, while a

student he obtained teaching experience by commuting daily to Wheaton, Ill., where he instructed in an advanced special education program in that community.

The University of Illinois tests, sows getting 2.5 pounds of corn per head daily on good legume pasture produced 10 times as much as those from sows getting more grain and some protein supplement in drylot.

CHANNEL LAKE—The Court of Honor of Boy Scout Troop 86 was the highlight of the meeting of the Channel Lake Community Club May 8.

The room was darkened for the candlelighting ceremony as Scoutmaster Ray Atwood called forward the boys who had achieved tenderfoot status: Ted Soboy, Sam Harris, Steve Struikas, Ray Struikas and Mark Ferguson.

Second class pins went to Douglas Runyard and James White. First class pins went to Kevin Jarvis, Rodney Patterson, James McCarthy,

William Shelton, William Fox and Charles Fox.

Scoutmaster Atwood announced the Star Scout status had been achieved by Calvin Trussell, Bob Willis and Tom Huoker.

The rank of Life Scout, the highest rank achieved by a scout from Troop 86 in eight years, was earned by Mike Roepenschack and Roger Eberman.

One-year pins went to Kevin Jarvis, Bill Shelton, James McCarthy, Rodney Patterson and Bob Willis. Two-year pins went to Terry Senesman, John Patterson, Terry Dowell, Calvin Trussell, Bill Fox and Charles Fox. Three-year pins went to Roger Eberman and Tom Huoker. Four-year pins to Mike Roepenschack and Albert Grudl.

Assistant Scoutmaster Bill Young presented a merit badge for rabbit raising to James McCarthy.

Scoutmaster Ray Atwood an-

nounced the presentation of the Scoutmaster's award for the year in junior leadership. Atwood announced that this is the scout chosen from the troop by the scoutmaster, who has consistently displayed the finest qualities of scouting and leadership. The award this year went to Mike Roepenschack.

Atwood then introduced Neighborhood Chairman James Brusk, who presented the troop with a charter for the next year. He also presented cards to committee members: Russell Roepenschack, Clarence Jarvis, Donald Bork, Elmer Eberman, and two committee members not present: Donald Behling and Richard Davis. Membership cards were granted Scoutmaster Ray Atwood and Assistant Scoutmasters Bill Young and Richard Harland.

Chairman Brusk presented Atwood with a streamer for the flag of Troop 86 for the work of the

troop in keeping the scout theme for the year "Onward for God and Country," along with a plaque for 100 per cent participation of the troop in subscriptions to "Boy's Life."

Brusk announced that he could not praise too highly the work of Scoutmaster Atwood with Troop 86, thanked the Scoutmaster and Assistant Scoutmasters Bill Young and Richard Harland, and committee members Clarence Jarvis and Russell Roepenschack for their part in the Show and Do program at Camp Dan Beard near Wheeling on April 22.

Brusk was chairman of this program and turned over organization of the opening ceremonies to the Channel Lake group, who presented the program.

At the close of the meeting refreshments were served by the Auxiliary of Troop 86.

...
 Brownie Troop 177 celebrated its third birthday with an awards night at the Channel Lake school recently. The ceremonies were opened with the presentation of the colors by Karen Voskull, Cathie Eckert, Debra Heslan and Colleen Ward. The pledge of allegiance was led by Kathy Irman.

Troop leader Lois Ward presented one year stars to Carla Reynolds, Kathleen Chase and Gail White.

Four new Brownies were welcomed into the troop and presented with Brownie pins by Mrs. Ward. They are Helen Zohus, Belle Zohus, Susan McKinney and Christine Chase.

Karen Voskull and Carla Reynolds "flew up" from Brownies into Girl Scouts. They were welcomed by the girls from Troops 10 and 85. Assistant leader Mary Chase presented registration cards for the

next year to the girls and to the troop committee.

A movie was shown of the activities at Day Camp. The entire troop plans to attend camp this year.

At the close of the evening, refreshments were served by Brownie mothers. Mrs. Grace Amendola was piano accompanist, and Roger Eberman ran the projector for the movie.

Once a child has indicated he is left-handed he should be encouraged to develop his left-handedness. He should not be prodded into becoming right-handed or ambidextrous. That is the consensus of a number of experts quoted in an article in the April issue of Today's Health, the American Medical Association's magazine of general circulation. Forcing a left-handed child to use his right hand may lead to serious emotional disturbances.

Patricia Carol, Michael Wietor Wed In Afternoon Ceremony At St. Peters

St. Peter's Church was the setting for the wedding of Miss Patricia Carol Heimbrodt of Channel Lake to Mr. Michael George Wietor of Ingleside, on Friday afternoon, May 12.

Miss Heimbrodt is the daughter of Mr. and Mrs. Norman Heimbrodt, 45 Grapevine Ave., Channel Lake Bluffs Subd., and Michael is the son of Henry Wietor, 724 Mohawk Drive, Round Lake, and Mrs. Marion Wietor, 201 N. Elm St., Mt. Prospect.

The couple were married in a double ring ceremony by Fr. Alfred Henderson.

The bride, who was given in marriage by her father, chose for her wedding a sheath gown of white silk organza with a full overskirt. Her crystal crown held two fingertip length tiers and one chapel length tier of veiling. She carried stephanotis, roses and orchids in a cascade bouquet.

Miss Carolyn Heimbrodt served as her sister's maid of honor and bridesmaids were Sharon Wietor, sister of the groom, and Patricia Parisi. They were attired alike, in aqua blue-green pure silk ballerina length dresses.

Serving the groom as best man was Robert Polkey, Raymond Picsecki and Noel Parisi were the ushers.

A reception for 200 guests was held at the Fox Lake American Legion Hall.

The bride is a graduate of Providence High School of Chicago and of St. Elizabeth's Hospital School of Nursing. The groom graduated from Grant High School, Fox Lake.

The couple will be residing on the Kocarek Estates, Stanton Point Road, Ingleside. Their mailing address is P. O. Box 23, Ingleside.

Legion Ladies Map Poppy Day Activity May 27

Members of the Auxiliary of the American Legion here were busy this week preparing for the annual Poppy Day sale May 27.

The red flowers sold on street corners for one day during the year, are a familiar sight to millions of Americans, who now associate the hand-made flowers as a tribute to the nation's dead and as a vital and sustaining activity of disabled veterans.

Contributions made by citizens who buy and wear the poppies are used by the American Legion and Auxiliary to support programs of rehabilitation and child welfare where needed locally by veterans.

A portion of the proceeds also provide a small, but welcome income to disabled veterans who spend months during the year making the poppies in hospitals and workrooms.

For many, confined for years in veterans' hospitals, these proceeds are a major source of income.

Also coming up is the annual sale of Buddy Poppies May 20, sponsored here and nationally by the Veterans of Foreign Wars. Proceeds from the sales of these veteran-made flowers are also devoted to work among needy veterans and their families.

Final planning for the Legion's Poppy Day will be done Friday, May 26, at 8 p.m., when Auxiliary members meet for a patriotic program. Mrs. J. W. McMillen is chairman of the program.

Homemakers Set Next Meeting for May 24

Twenty-two members of the Antioch Homemakers Club were present at the April 28 meeting, at the home of Mrs. May Van Cura. Co-hostesses were Mrs. Emily Palmi and Mrs. Fred Bremer.

The May meeting set for May 24, will be at the home of Mrs. Harry Weiss of Channel Lake, with Mrs. Frank Hennig and Mrs. Andrew Stewart serving as co-hostesses.

COLORADO VISITOR

Mr. and Mrs. Fred Bremer, of Little Silver Lake, entertained their granddaughter and husband, Mr. and Mrs. Clarence Kellogg and their children, Edward and Karen, of Westchester, on Sunday.

Monday morning the Bremers received a surprise visit from their grandson, Earl Thompson, of Denver, Colo. Earl plans an extended visit with his grandparents.

A SECOND SON

Mr. and Mrs. Richard Hedberg, 428 Harden St., are the parents of a second son, Thomas Karl, born April 13 in Evanston Hospital. The child weighed 13 pounds, 11 ounces at birth. The other son is Richard, Jr.

Antioch Couple King and Queen of OES Dance

At the youth dance given by the Grand Chapter, Order of Eastern Star, at the Scottish Rite cathedral on Friday evening, Julie Nissen, a member of Antioch Rainbow Assembly, and Jimmy Edwards, who escorted Susan Lindblad, were chosen king and queen for the evening. These representatives from Antioch reigned over the dance.

Mrs. W. Gibbs, mother advisor, Mrs. J. Brown, Mrs. Roy Fraser, Mr. Emil Kirschbaum, and Mrs. Martha Hunter accompanied a bus load of girls and boys to attend the gala affair.

Refreshments were served during the entire evening.

On Monday, May 22, the Antioch Rainbow Girls will entertain their mothers with a pot luck supper at 8 o'clock at the Masonic Temple. After the supper, the girls will hold their regular meeting upstairs. Jill Anderson will preside over the last meeting of her term.

Rainbow Girls will hold a bake sale Saturday, May 20, at Lyons-Ryan Ford garage. All girls are to bring their bakery goods before 9 a.m. Girls who wish to work should contact Mrs. Gibbs.

To Wed in July

Miss Boyd

A July 22 wedding is planned for Miss Amelia Rose Boyd, daughter of Mr. and Mrs. George Boyd, Antioch, whose engagement was announced this week by her parents. Miss Boyd is betrothed to Thomas Roger Theisen of Sauk Village, Ill., son of Mr. and Mrs. Theisen, Sr.

The bride-to-be is a graduate of Wilmot High School; the prospective groom graduated from St. Leo's in Chicago.

The wedding will be held at St. Peter's.

Garden Clubbers To Hear Expert On Arranging

Flower arrangements will be discussed at the May meeting of the Antioch Garden Club Monday at the home of Mrs. Roy Hyre, Rte. 173.

The sessions, lasting from 9:30 a.m. to 3 p.m., will feature Mrs. Emil Walker of Crystal Lake, who will speak on "Art of Arranging," "Type of Arrangements" and "Judging Arrangements."

Members are urged to bring samples of arrangements planned for use in the flower show, June 23-24 at the High School. Mrs. Walker will give pointers on each sample arrangement brought to the meeting.

Mrs. Raymond Boller will be co-hostess at Monday's meeting.

NEW ATHS STUDENT COUNCIL Officers took the oath of office in ceremonies last Friday at the high school. Shows (left to right) are Joe Enis, treasurer; Jane Lassen, secretary; Dave Bonner, vice president; Steven Chandler, president; and Bill Bonner, installing officer and retiring president.

CHERYL LIMKE, right, was crowned queen to climax festivities at the annual Junior-Senior Prom Saturday at Antioch Township High School. King is Bud Dittman. Crowning the queen is Joe Enis, senior and last year's king, with his escort Karen Lightsey, queen of the 1960 prom.

District Superintendent to Be Guest Pastor May 28 at Methodist Church

By Mrs. Fred Bartlett
Lake Villa, El. 6-5372

LAKE VILLA—Dr. Birger Dahl, who serves the Chicago Northern area as district superintendent, will be guest minister in the pulpit of the Lake Villa Methodist Church May 28. Dr. Dahl was a chaplain in the U. S. Navy and has held pastorates in Indiana, Iowa and Illinois. He also served as a minister at the Arlington Heights Methodist church before his appointment to the district superintendency in 1958.

The Methodist men will hold their regular meeting May 23, at the church. The main business of the evening will be the election of officers for the year.

The Men's Club of the Lake Villa Methodist Church today announced that applications for the Methodist Men's college scholarship must be in the hands of the board by June 1. Those who do not have applications and are interested in this scholarship are to contact the Rev. Robinson, Warren Brown or Robert Henderson.

The Women of the Society of Christian Service of the Lake Villa Methodist church will attend the annual meeting of the Women's Society of Christian Service of the Rock River Conference 9:45 a.m. tomorrow in Elgin.

Miss Thelma Montgomery, missionary in Africa, associated with the Social Service Center at Elizabethville in the Congo, will be guest speaker.

The Yorkhouse Women's Society of Christian Service has invited the Lake Villa Methodist Church Women's Society and other area churches to a salad luncheon on Thursday, May 25, at 12:30 p.m. A program will follow the luncheon. Women from the Lake Villa church who plan to attend the event are asked to make reservations with Mrs. Jack Perry.

Thirteen Royal Neighbors from Lake Villa on Tuesday attended Friends night in Antioch. Attending were: Helen Fish, Mathilda Bartlett, Bertha Fish, Edna Botts, Cecile Blumenschein, Georgia Avery, Jerri Polson, Gladys Schroeder, Velma Langosch, Gertrude Malecka, Erna Toft, Ruth Jost, and Helen Reimer.

Following the meeting the visiting Camps were entertained with a Royal Neighbor kitchen band, composed of musicians from Olson Camp, Antioch.

The next regular meeting of Royal Neighbors of Cedar Lake Camp, Lake Villa, will be held at 8 p.m. Tuesday at the Village hall.

The officers club of the Royal Neighbors met at the home of Georgia Avery Wednesday afternoon. Present were Helen Fish, Bertha Fish, Cecile Blumenschein, Gertrude Malecka, Edna Botts, Helen Reimer and Mathilda Bartlett. A dessert luncheon was served by the hostesses, Georgia Avery and Marie Hamlin.

Mrs. Sidney Barnstable, Mrs. Ervin Barnstable, Jr., Mr. and Mrs. Vern Barnstable and daughter,

HOSPITAL PATIENTS

David White and Roy Hyre, both of Antioch, were reported as hospital patients at Conell Memorial Hospital, Libertyville.

Nancy, of Antioch, attended a bridal shower for Miss Bonnie Barnstable at her home in Milwaukee, last Thursday evening.

Mrs. Tena Gerber and Arlene Letting spent the weekend visiting relatives at East Troy Center, Wis.

Mr. and Mrs. Fred Bartlett, Sr., visited relatives in Waukegan, Friday.

A number of Lake Villa grade school pupils went on a field trip to the Field Museum and McCormick Place in Chicago Saturday.

Science award winners representing Lake Villa Grade School, participated in a state-wide science contest in Champaign last weekend. The students were winners in the local contest. They were: Danny Botts, Roger Sherwood, and Terry Wipkowski, first; Teddy Peterson, outstanding; Karen Jennrick, Andy Johnson and Ron Eckert, second.

Mr. and Mrs. Joe Botts and son, Danny, attended a family reunion at Harvard last Sunday.

News of Trevor

By Mrs. Grace Miller

TREVOR, Wis. — Miss Carol Frange, a student at Whitewater, was home for the weekend.

Mrs. Grace Miller accompanied Mrs. Margaret Willen to Whitewater on Saturday afternoon. Twenty-six bands from graded and high schools in this section were judged as they paraded down the main street.

Mrs. Annie Smith of Kenosha spent the weekend with her niece, Mrs. Charles Oetting. On Monday she went to Madison to visit the Arthur May family.

On Friday evening the Trevor grade school presented the second annual spring music festival under the direction of Mrs. Arthur Forester. The first and second graders put on a circus; the third and fourth "Around the World in 80 Days" with songs of all nations; the fifth and sixth, the opera "Hansel and Gretel," while the seventh and eighth graders entertained with songs between acts.

Mr. and Mrs. Charles Oetting spent Mother's Day at the home of Alfred Oetting, Wilmet. Mrs. Oetting entertained 28 relatives from the Zarnstorff and Oetting families.

Mrs. Ronald Vos and children spent Friday with her sister, Mrs. Ray Anderson and family of Kenosha.

Mr. and Mrs. Bernard Staudinger, Mr. and Mrs. Kenneth Schemenhauer and children, Mr. and Mrs. Greg Schemenhauer and daughter, Henry Schemenhauer and John Schwartz, all of Kenosha, were supper guests of the Howard Schultz family.

Mr. and Mrs. Arthur May and daughter, Virginia, of Madison, and Mrs. Beatrice Mathews of Waukegan, called at the Charles Oetting home Sunday.

TV Guide to Publish Letter of Resident

A letter from Mrs. Charles Moran, Rinear Rd., to TV Guide magazine will be published in this week's issue of the publication, editors have informed the writer.

In her letter to the editor, Mrs. Moran complimented the industry for its coverage of the space flight of Allan Shepard May 5.

Ela Tromps Grayslake Second Time

Ela-Vernon's Bears did it again to Grayslake in notching a 6-1 win over the pacesetter Rams at Lake Zurich last week to drop the favorites into second place behind Grant.

The twin losses to Ela are the only conference setbacks for Grayslake, who now own an 8-2 record.

The Rams took a brief 1-0 lead on Wayne Rockendish's homer early in the game, but Ela bounced back with four in the second and was never headed.

Pacing the Bears' attack was Dave Greene, who drove in three with a double and two singles. Teammates Bruce Sandman and Dennis Ingles added two singles and a triple, respectively.

The Bears played errorless ball behind Art Huerth, who held the Rams to six hits.

Victim was Dennis Williams who suffered his first defeat after eight successive wins as the Bears solved him for seven hits in five innings.

Wauconda 6, Scouts 5

A single with two out in the eighth brought across the winning run as visiting Wauconda beat Lake Forest 6-5 last week. The score chilled Scout hopes which had risen when they rallied with two in the bottom of the seventh to tie the score 5 all, sending the game into an extra inning.

Wauconda started out fast with a score in the first and three more in the third. Lake Forest came back in the third with two and another in the fifth, making the count 5-3.

John Kallas, who relieved Joe Coomes in the sixth, was credited with the win. They allowed seven hits, walked eight and fanned seven.

Lake Forest used three pitchers, with the loss going to Kreisler.

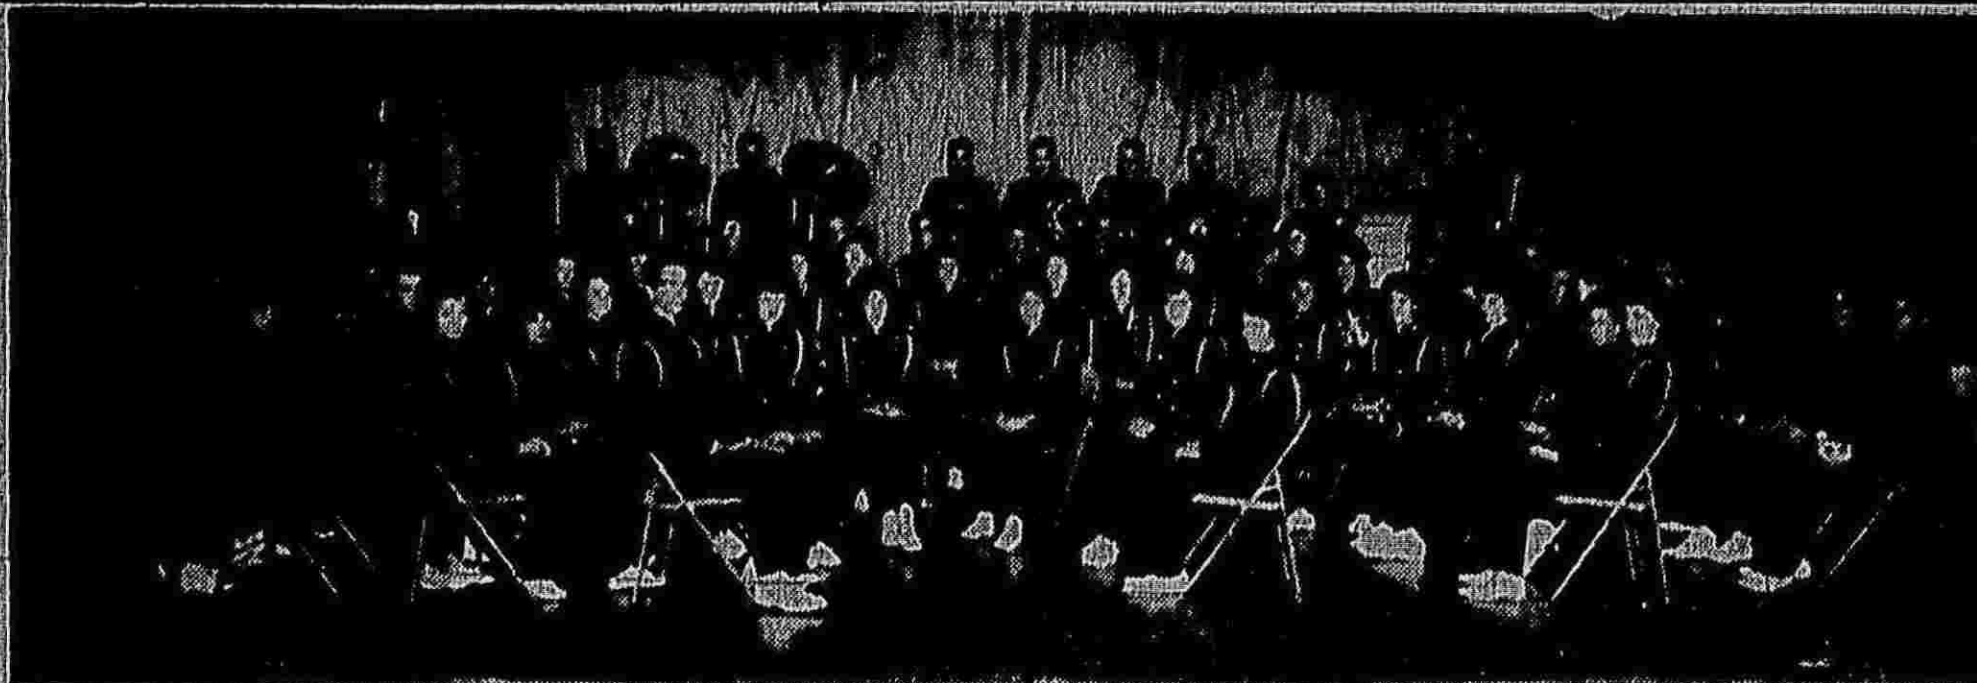

R. L. Routes Warren 11-1

Round Lake's Panthers ganged up with 12 hits to give Warren's Blue Devils an 11-1 shellacking on the home field last Friday.

Big gun for Round Lake was George Williams, who turned in a two-hit performance and contributed a triple and two singles to the cause, driving in three runs and scoring that number himself.

The Panthers started strong, clobbering Billy Grom for five runs in the first and adding two in the second. They picked up three more off Tommy Edwards in the fourth and added another in the sixth.

Both hits off Williams were in-field rollers. The Round Lake hurler fanned eight and walked seven.

THE HIGH SCHOOL bands will close out an active season here Saturday with the annual spring concert followed by a spring dance. The concert was judged "excellent" in state wide competition in Villa Park recently.

Annual Riding Show Carded by Equestrian Club

The first annual horse show of the Gold-D-An Equestrians will be held Sunday, June 11, at the Gold-D-An Horse Farm, Grange Hall Road, Gurnee.

The Equestrians is a riding organization for the younger set of Lake County area, and was organized last summer.

Judging will be by David Blumenfeld, Chicago, western events, and Bill Caldwell, rural Gurnee, English events.

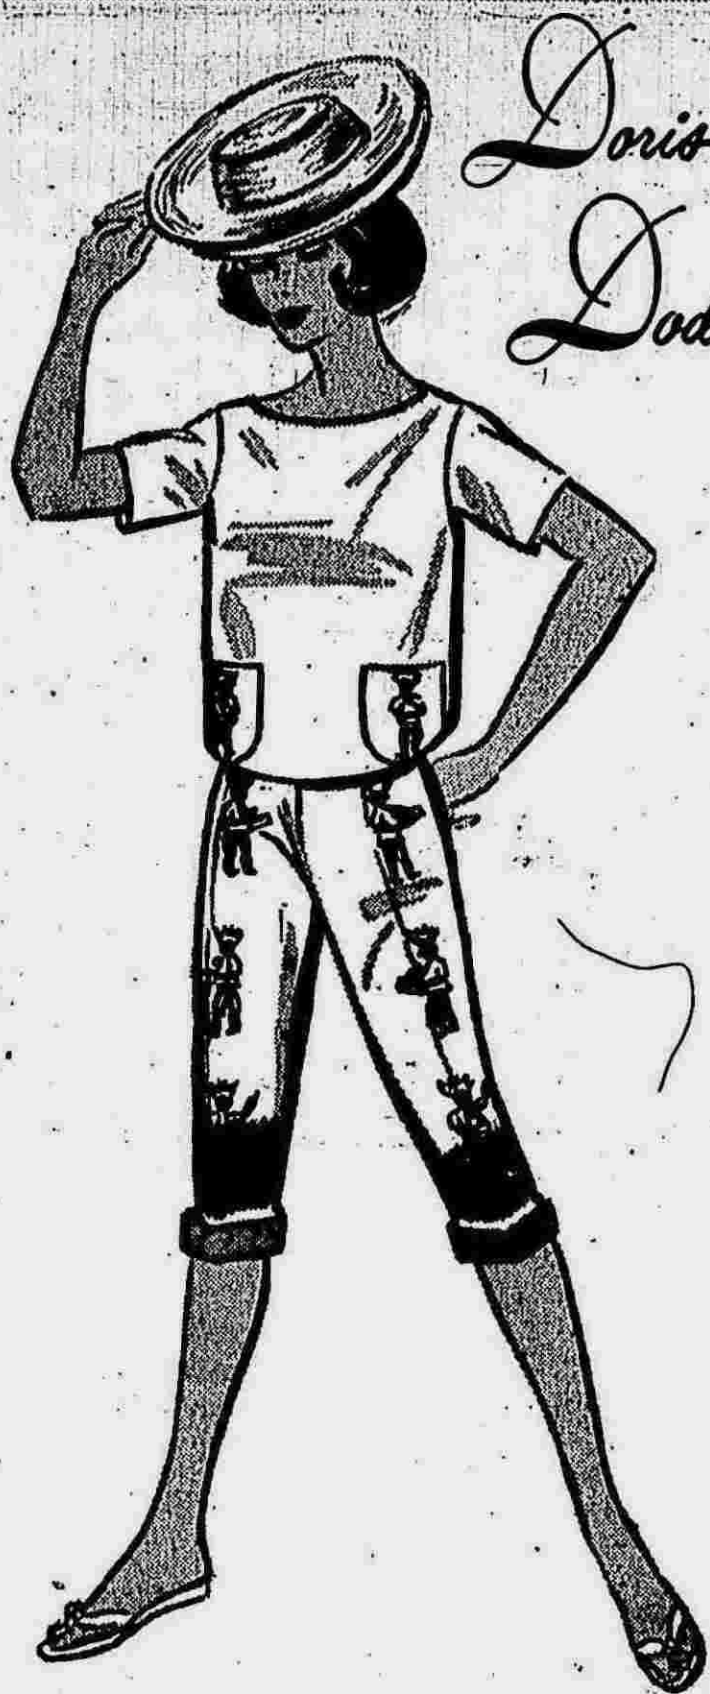

Western events have been approved by the Illinois Quarter Horse Association. Included will be the morning show involving quarter horse classes, 48 inches and under ponies; open western and open English halter.

Afternoon classes will be all performance to include open trial, pony, western pleasure, reining, English equitation and pleasure, senior western riding, pole bending, speed and action junior western horsemanship, barrel racing and egg race.

Events will also include a special class for all who have never won a trophy, a special boot race and class for all spectators and non-horse owners.

Further information on the show and entries may be obtained from Gloria Jensen, MA 3-8112 and Joyce Davis, DE 6-7542.

Track Squad Batters Ela, Round Lake

Antioch's strong track squad battered Ela-Vernon and Round Lake in a tri-meet here Monday.

Antioch piled up 95½ points to 32½ for Ela and 20 for Round Lake.

Ken Truelsen, Sequoit speedster, racked up firsts in the 100 and 220 dashes, and the 180 lows.

Other winners were Krieger, 400; Rathbone 880; and Elliott, 120 highs.

Antioch's 880 and mile relays topped firsts. Running in the 880 were Keisler, Prossie, Krieger and Fowles. Running the mile relay were Krieger, Olson, Rathbone and Fowles.

Continuing strong in field events, Antioch swept the broad jump and pole vault events. First in the broad jump was Keisler, followed by Nickolai and Andrews. Bob Barnstable took the vault, with the record vaulter Bob Weber handicapped with a bad leg, second, followed by Dave White, third.

Public Invited To Boys' School Open House

LAKE VILLA—Allendale School for Boys here is holding an open house and family picnic on Sunday, May 21, beginning at 2 p.m. The campus will be open to the public to visit during the afternoon. They will have the opportunity to visit the cottages where the boys live, see the school, gymnasium, chapel, hospital and other facilities.

There will be two softball games, one involving the older Allendale boys against the trustees of the school and in the other, Allendale's junior team will play sons of visitors.

A special program is planned to give visitors an opportunity to meet the staff and trustees, and everyone is invited to participate with the boys in their own chapel service. A family style (bring your own) picnic lunch will be held at 5 p.m. in the orchard of Clare Appleby, Allendale's director.

Allendale, a year-round home and school for underprivileged, dependent boys from broken homes, currently houses 87 boys, who receive full care, a remedial education and rehabilitation in Allendale's group living program.

The campus is located just west of Lake Villa on the shore of Cedar Lake.

General chairman of May Day at Allendale is John N. Barfield, Lake Forest.

Invitations for May Day at Allendale have been sent out through various groups and organizations which have assisted the school over the years.

In other Allendale doings, several benefactors gave a party for the boys of St. Armand Cottage last Friday. There were refreshments, square dancing and games.

Truelsen to Run At Champaign

Ken Truelsen, Antioch High dash and hurdle star who has run the 180-yard hurdles in the record time of 19.3, will compete in the state finals tomorrow and Saturday at Champaign. Truelsen qualified by virtue of his second-place effort Saturday in the district at Evanston. He knocked over the third hurdle, slowing him, but came on fast behind Fred Cosby, North Chicago.

Truelsen, rated as among the best in the state, beat Cosby last week in the 180-lows in setting his record time of 19.3.

Plan Flood Talks

Recommendations for flood control on the Des Plaines River will be discussed tomorrow morning by James Mitchell, Chicago director of the Division of Waterways.

Discussion will open at 10 a.m. in the Supervisors Room, 3rd floor, County Building, Waukegan.

DEATH NOTICES

ROY E. CRAWFORD

Roy E. Crawford, 66, of Grass Lake Road, Antioch, died Tuesday, May 16, at 1:15 a.m. in Victory Memorial Hospital. He had been hospitalized for a heart ailment.

Mr. Crawford was born April 10, 1895, in Minnesota. He lived in Nebraska until 1924 and in Chicago until 1940, when he moved to Antioch. He left Antioch to live in Siren, Wis., in 1948, returning to Antioch in 1956.

A retired carpenter-foreman, he was a member of the Carpenter's Union, Local No. 448 of Waukegan.

His widow, Lillian, survives, as do three sons, Edward, of Lake Villa township, Thomas of Waukegan, and Lavid of Antioch; two daughters, Mrs. Gertrude Young, Chicago, and Mrs. Angeline Groh, Fox Lake Hills Subd., Lake Villa; one brother, Sam of Woodburn, Oregon; one sister, Mrs. Mabel Wetzig, Wayzata, Minn.; 15 grandchildren and 11 great grandchildren.

Services will be held at 1:30 p.m. Friday, at the Strang Funeral Home with the Rev. Gerald Robinson of the Lake Villa Community Methodist Church officiating. Burial will be in Avon Cemetery.

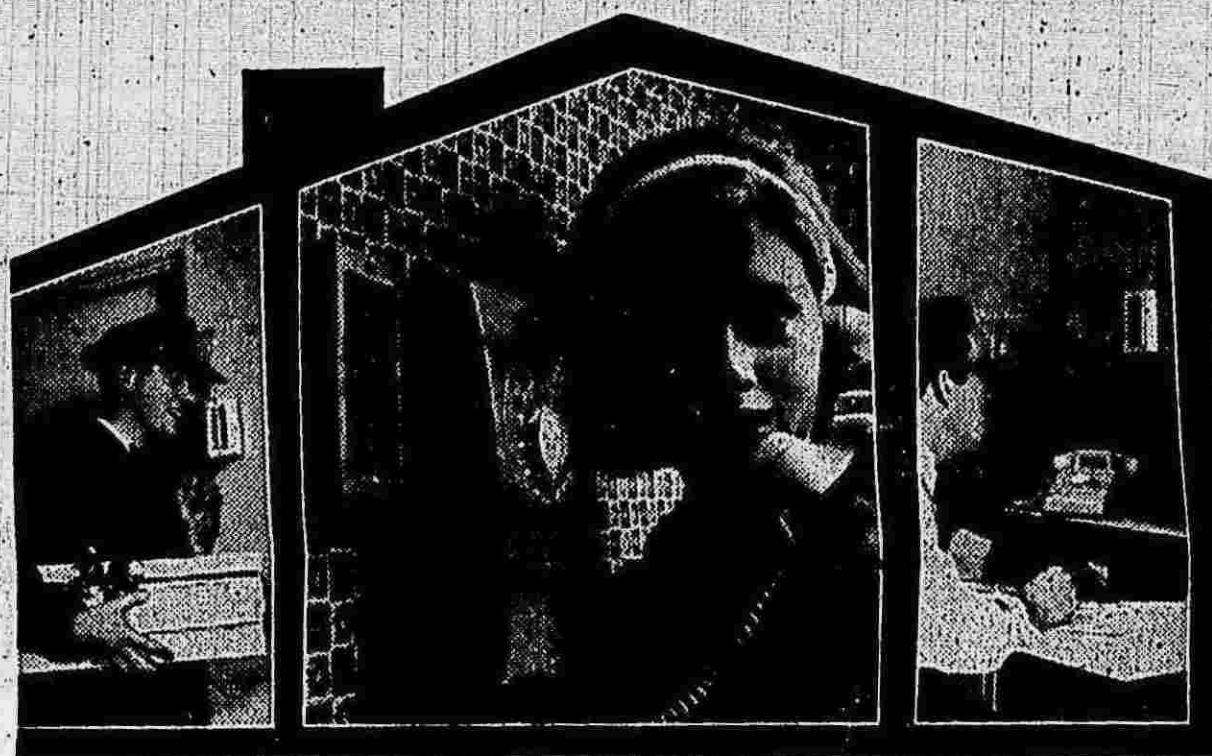

Friends called at Strang's after 7 p.m. Wednesday.

Auxiliary Honors Gold Star Mothers

Gold Star Mothers were honored last Friday by members of the Auxiliary of the American Legion Post here.

Following a short business session, the evening was devoted to a party honoring Gold Star members of the unit, Mrs. Nellie Hanke, Mrs. L. C. Scott and Mrs. Myra Randall, and two Gold Star Sisters, Mrs. Eva Gaylord and Mrs. Evelyn Freund.

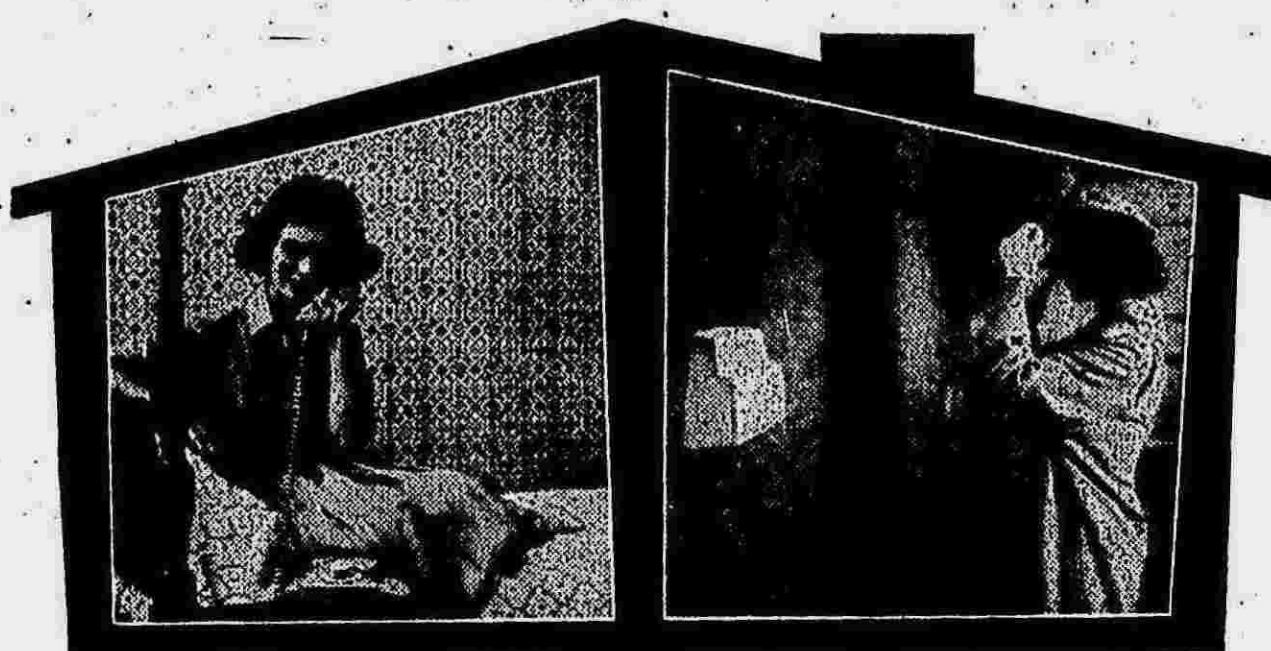

Each received a gift and a corsage from the Auxiliary.

Linda 4 and Billy 5. The maternal grandparents are Mr. and Mrs. William Jenkins of Gager Lake, the paternal grandfather is Frank Jordan of North Chicago.

Mrs. Winifred Seefeldt of Main Street in Lake Villa has been a hospital patient since May 9. She is the mother of Mrs. Frank Grenus.

Fourth through seventh grade students of the Prince of Peace School in Lake Villa held their annual picnic at the Holy Family Convent at Benet Lake, Wis. last Thursday. Sisters, lay members and parents accompanied the children.

They saw a Rosary erected in Our Lady's Garden, measuring 120 feet in length and 50 feet in width. The Rosary consists of the customary five decades, and has bowling balls as beads. The bowling balls are 9 inches in diameter and are mounted on galvanized iron pipe standing 30 inches above ground.

Each bead has a marker affixed to its support; on the Our Father beads, the marker indicates the number of the decade and gives the title of the mysteries of the Rosary.

On the Hail Mary beads, the marker designates the name of the state honored by that particular bead. It also gives the date of the first Catholic Church and the percentage of the present Catholic population of that state.

The center piece of the Rosary is made of California redwood. It is 36 inches in diameter, heart shaped and symbolic of the Immaculate Heart of Mary.

Visitors are invited to visit the Convent located in Kenosha County, Wis., on the Wisconsin-Illinois state line. It is two miles northeast of Antioch and four miles southeast of Salem, Wis.

The eighth grade students went on a chartered bus to Chicago, where they visited the Museum of Science and Industry in Jackson Park, and the Museum of Natural History in Grant Park.

Motorists are cautioned always to make certain children are securely seated while the car is being driven. Squabbling, restless children in an automobile upset a driver's concentration and make him more accident prone.

School Activities Liven As Students Prepare For Term End And Vacation

By Mrs. Pearl Kapell

CHANNEL LAKE—The rummage sale sponsored by the PTA and held at the school on May 13 was a success. The next affair on the PTA calendar will be the school picnic June 6 at Fox River Park. The 22 members of the eighth grade at Channel Lake School will

graduate June 1. Graduation ceremonies will be at 8:00 p.m. at the school.

The school's safety patrol will attend a picnic which includes all safety patrols in this area at Belvidere Park in Waukegan on Saturday, May 20. They will also be treated to a trip to Riverview Park on Wednesday, May 24. Howard Scott is in charge of the patrol.

The Couples Pinocle Club met at the home of Mr. and Mrs. William Frey Wednesday, May 10. A luncheon was served to the members present: Mr. and Mrs. Robert Hess, Mr. and Mrs. Harry Weiss, Mr. and Mrs. Clarence Splering, Mr. and Mrs. Frank Hennig and Lois Lless.

The daughters of Mrs. Frank Hennig were especially thoughtful on Mother's Day—they not only brought flowers, but spent the day planting them, along with several rose bushes Mrs. Hennig had that remained to be planted. The busy group were Mr. and Mrs. Jim Moshel of Chicago and daughters, Karen and Judy, and Mr. and Mrs. Dan Hazeltine and children, Jennie, Ralph, Nanette and Claudia.

Mr. and Mrs. Andrew Stewart, of Grapevine Avenue, entertained a group of out-of-town visitors on Wednesday, May 10. Most of the guests had been unable to visit Mr. Stewart during his recent stay in the hospital. Present were Mrs. A. J. Smith of Tucson, Ariz.; Mr. and Mrs. Dick Williams of Ft. Lauderdale, Fla.; Dr. and Mrs. J. Skrentny of Homewood, Ill.; Mrs. Dorothy Scanlan and daughter, Margaret, Torro; Mrs. Mildred Codish of Ft. Lauderdale, Fla., and Mrs. Katherine Archer of Woodcrest Subdivision. Several of the guests had made the long trip for the double purpose of celebrating Mrs. Archer's recent birthday and visiting Mr. Stewart. Mrs. Stewart, Mrs. Archer, Mrs. Williams and Mrs. Skrentny are sisters.

Mr. and Mrs. Ed Baumann entertained 22 members of their Couples Club last Saturday night. The guests met at the Kenosha airport, where they were treated to trips aloft to view the city and surrounding country by night. Ed took several groups up in his plane, and Robert Brackett, manager of the airport, piloted several groups. Some of the guests had never flown before.

The group then returned to the Baumann home for a buffet supper. Mr. and Mrs. Roy Hartman were co-hosts for the gathering.

Mrs. Onno (Katie) Haak had a double reason for celebration Sunday. It was her birthday and Mother's Day. Sunday morning Mr. and Mrs. Haak, Mr. and Mrs. William Scanlan and daughter, Margie, Mrs. Katharine Archer and Mrs. Haak's mother, Mrs. Catherine Creighton, picnicked at Fox River Park. In the evening, Kate was guest of honor at a surprise party in her home engineered by a small group of her friends. Present were Mrs. George Birr, Mr. and Mrs. William Scanlan and Margie, Mrs. Katharine Archer and Mr. and Mrs. Peter Poulos and their children. Mrs. Poulos is Mrs. Haak's daughter.

State Fair Enlarges Scope of Art Exhibit

Art patrons and visitors may be treated to a new era in painting this year when the 16th annual Professional Art Exhibit is held at the 1961 Illinois State Fair in Springfield.

Franklin Rust, general manager of the fair, announced that the popular, seven-state exhibition will again offer more than \$3,000 in cash awards, trophies and ribbons.

First award for an oil painting will be \$550 and \$300 for the best watercolor. A popular prize of \$150 will be given the exhibitor whose painting rates the highest in balloting by visitors to the State Fair.

Information and application blanks can be obtained now by writing to Illinois State Fair Professional Art Exhibit, State Fairgrounds, Springfield. Fair dates are August 11-20.

bike in good condition. Little David Lemke, son of Mr. and Mrs. David Lemke, has been missing his bike since early in April. His parents think a playmate may have ridden the bike and left it somewhere. The Lemkes live on Route 173 on the east side of Channel Lake. Anyone seeing a bike answering this description abandoned in the neighborhood are asked to call Mrs. Lemke, Antioch 1648.

Tax Quiz Via Mail Now in Process

As a convenience to the taxpayers, many income tax returns will be examined through the use of correspondence, Harold R. All, director of internal revenue for the Chicago district, announced today.

Over 70,000 returns are in the process of examination before refunds can be issued. A majority of these returns are being examined by correspondence.

By this method, All explained, a questionnaire is sent to a taxpayer requesting pertinent information to determine the correctness of his return and the proper amount of tax and refund.

Taxpayers who receive these questionnaire forms should fill them out immediately and mail them back to the Internal Revenue Office. It's not necessary that they go to the office in person with the completed questionnaire, he said.

All urged taxpayers who receive a questionnaire and are not scheduled for an appointment, not to visit one of our offices. The unscheduled visitors disrupt the orderly flow of taxpayers with appointments and hamper our efforts to serve the public. These persons may call to make an appointment, and in this manner avoid undue loss of time waiting to be served.

However, taxpayers with letters requesting them to appear at the office should keep their appointments on the day and hour specified.

Adult Scouters Work To Get Camp In Shape

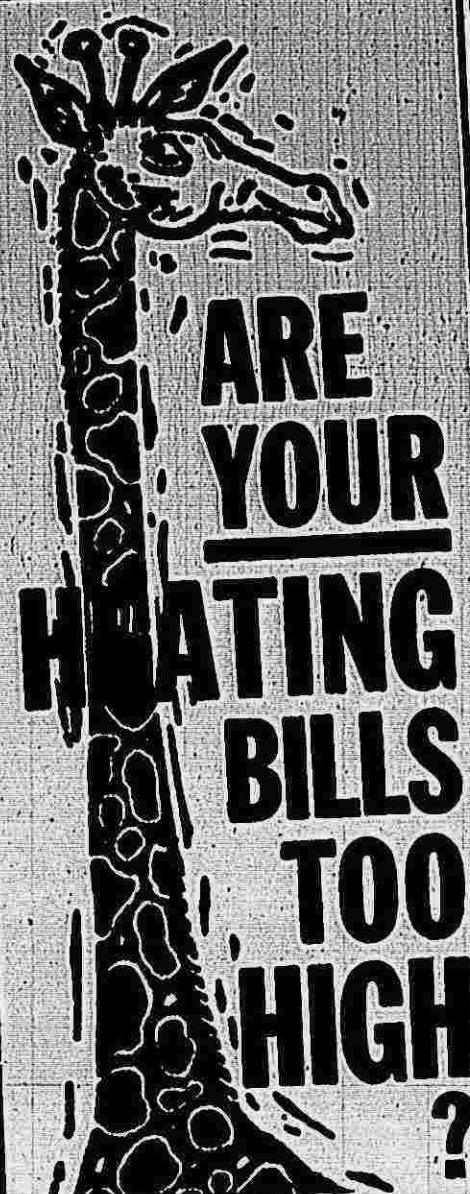

Local adult Scouters are expected to be among some 200 men from Lake County preparing Camp Ma-Ka-Ja-Wan Camp near Antigo, Wis., for the vanguard of 1,500 area Scouts who will attend the camp this summer.

Instead of enjoying a leisurely few days of fishing, campfires and talk, adult Scouters will pound nails, fix hinges, trim trees, paint and otherwise get things in shape

at the North Shore Area Council camp.

Date for the Scouters' weekend, originally set for May, has been moved back to June 2-4, because of cooler weather.

Registration by adult Scouters who want to aid in the annual camp maintenance project, June 2-4, may be made at the North Shore Area Council Office, 724 Vernon Ave., Glencoe, VE 5-4125, or 4124.

Keeno Softball Opener May 27

TREVOR, Wis.—Play in the Lake Keno softball league will get under way Saturday, May 27, here following elaborate opening ceremonies featuring a marching troop, special entertainment and the appearance of Rep. W. J. Murphy, Antioch, and Kenosha County Councilman Russell Olson.

The strong Emerson Buick Sportsmen's club, Fox Lake, will meet Joe's Tap of Lake Villa in the night cap following opening activities at 8 p.m.

Scheduled to appear during the evening are the girls' marching troop of Lake Villa, the V.F.W. Kadettes, state and national runner-up, and Sheikh Abdul Hammi and his harem. Music will be by "Felix" and his sportsmen.

The classy Emerson club will feature the pitching of Dick Grau, moundman for the 1960 champion Pat's Lounge, while the Schneider brothers are a feature of Joe's Tap.

In realignment of teams, league officials announced that Don Pittman's Rambler-Pontiac Motors, Antioch, will sponsor the original entry of Jim's Sinclair Service.

Scheduling will be announced next week.

Grant Quells Sequoia Rally To Win 3-2

Antioch High's three-game win streak during the second half of the conference race came to an abrupt end at Ingleside last Friday when the locals were edged 3-2 by Grant. The Sequoias, trailing 3-0 into the seventh, gave it the old try and pushed across two runs before the Bulldogs were able to quell the uprising.

Grant started the scoring in the last of the first on singles by Bortolotto and Howard, and came back for two more in the third via Howard's second single and a long homer to left by Flaks.

That was all until Joe Enis walked to lead off the seventh for Antioch. Deryl Denman advanced him with a single, his third, followed by Doug Lang, who popped to the pitcher for the first out. Mike Grealis, pinch hitting for Ron Gable, blasted a triple to right center scoring both runners.

Antioch was set for a squeeze to push across the tying run but the Bulldogs closed in and Mike Horn hit a sharp grounder to third and was out on the throw while Grealis held. Joe Pleviak popped to short to end the game. Bill Ozga, on the mound for Antioch, gave up four walks and seven hits while striking out one, and was charged with the loss.

John Gier, making his first conference start of the year, walked two, struck out nine and gave up five hits.

Denman was the game's top hitter, getting three for three.

The loss, seventh in 11 starts for Antioch, marked the seventh decided by one run.

Grant Wins 4 in 3 Days to Take Over Conference Lead

Spurred by Ela's second defeat of the conference-leading Grayslake nine, Grant's Bulldogs put the double whammy on Lake Forest there Saturday to take a half-game lead in the Northwest Suburban race.

Grant's lopsided 11-2 and 14-3 wins over the Scouts Saturday spelled four wins in three days for the highflying Bulldogs.

Grant edged Round Lake 4-3 at Ingleside Thursday, and slipped by Antioch 3-2 the following night. They now hold a 9-2 record. Lake Forest stands at 3-8.

Ron Brown went the distance for the victors in the first game, holding the Scouts to five hits while giving up five walks and fanning nine. He clouted a two run homer in the fourth to break a 1-1 deadlock.

His mates went on to five more runs in the next inning, all unearned, and added three more in the sixth, to complete the scoring. Joel Eiserman toiled the route for the losers in giving up six hits and four earned runs. His mates had a bad day afield, committing six bobbles. Bill Larsen homered for the Scouts, while Gary Schlunz added his round-tripper to that of Brown for the winners.

Lake Forest chose the same flavor for the second game and committed three errors on the first three plays to allow three Bulldogs to score. That was the pattern for the day, with Ken Flaks furnishing the power for the victors with three for three, one a two-run homer.

Dick Howard was credited for the second win in allowing seven hits, six walks, while fanning nine. Fred Jackson, first of two Lake

Forest moundsmen, took the loss. Lake Forest blew seven plays in this outing, giving them a total of 13 errors for the afternoon.

Recruit Top Drivers For '61 Fair Races

The 100-mile national championship auto race at the 1961 Illinois State Fair at Springfield should be one of the best in years, if present plans develop.

Franklin Rust, general manager of the fair, revealed today that a "scouting" program will be undertaken by the auto race department.

James Kidd, superintendent of both the auto and motorcycle races at the fair this year, will visit several of the top auto races in the nation, including the Indianapolis 500-mile Memorial Day race, in an attempt to enlist the top drivers.

Cash awards and trophies for the Aug. 19 auto and motorcycle races will total more than \$30,000.

New Fishing Areas Opened

The Illinois Department of Conservation has started "buoying off" the restricted areas in the Chain of Lakes region of Illinois, Director William T. Lodge announced today.

Several new fishing areas are to be posted and marked by the orange and white buoys. These new spots include a large portion of Mineola Bay, Spring Lake, which lies between Petite and Bluff Lakes, a

large portion of Red Head Lake, and additional space in Stanton Bay. Columbia Bay also is under consideration for a fishing and bathing restricted area.

The exact acreage of each new territory added, along with that of all the areas marked last year, will be announced later. No areas set aside last year are to be discontinued. Minor changes will be

made in one of the Pistakee Lake bays in order to facilitate some passage and channel ways and to provide increased safety measures.

Frank S. Davis, of Havana, Ill., in charge of boating for the department, has been studying the possibility of establishing more restricted areas for fishing, while at the same time taking into account other users of the area and all safety factors, Lodge said.
